## **Georgia House District 35 Candidate Lisa Campbell Endorsed by Georgia AFL-CIO**

### ***Campbell supports Georgia working families and an inclusive economy***

ATLANTA, (August 8, 2022) — Today, the Georgia AFL-CIO, the state federation of labor representing more than 120,000 members, endorsed Georgia House District 35 candidate Lisa Campbell in recognition of her commitment to defending the right of all working people to good jobs, fair wages, and safe working conditions.

"It brings me great pleasure to inform you that Georgia AFL-CIO has endorsed your candidacy for Georgia House District 25," said Kaylah Oates-Marable, Georgia AFL-CIO Program Coordinator.

"I am honored that our campaign has earned the endorsement of the Georgia AFL-CIO," said Lisa Campbell. "From minimum wage laws and workplace safety to gender equality, when working people come together, we create an inclusive, thriving economy that works for all."

As a long-time community advocate and small business owner, Campbell is campaigning to bring her consensus building skills to The Gold Dome, where she pledges to form coalitions to expand business opportunities, build strong community partnerships with Georgia companies, lift up Georgia workers and advocate for the right to organize for safe environments and inclusive, meaningful work.

"As the first woman to represent District 35, I especially appreciate the Georgia AFL-CIO's advocacy on issues of gender equality, family leave, expanded access to healthcare and look forward to standing up for all Georgia workers in the General Assembly."
