ATLANTA, (May 2, 2022) — Today, Ga. House District 35 candidate Lisa Campbell was endorsed by the Georgia Association of Educators for her commitment to public education.

“As the daughter and granddaughter of public school teachers, I am especially thrilled to receive this endorsement from the Georgia Association of Educators.” said Campbell. “I look forward to working together to fully fund public education every year, support our teachers and staff, and address the inequities currently experienced by many of our students. I believe in our Georgia public schools and I am committed to the success of every student. Together, with parents, educators and communities, I know we can further our shared goal for a great public school education for all Georgia learners.”

A graduate of Cobb County public schools and a long-time community advocate, Campbell cites fully-funding public schools as a top priority. She pledges to advocate for the educational opportunities of all Georgia students, as well as increased support and funding for schools, teachers and staff.

“Every child deserves the opportunity for success,” emphasized Campbell. “I’m dedicated to working towards policies that will strengthen our public schools and give learners of all ages the educational and economic opportunities we all need to thrive and achieve our goals.”
